“ This is an outstanding school...This is a school with high ambitions and resolute desire to be successful.” Ofsted 2011

Second in Science TLR 2b (£4225) for September 2012

We are looking for talented teacher of science with real leadership potential to join our strong team of teachers at Aylsham High School. Students enjoy science and are particularly keen to take part in innovative and practical ways of working. We are looking for someone to work closely with the Head of Department to ensure that it continues to go from strength to strength. There is a strong up take for triple science at GCSE and the successful candidate would be crucial to our delivery of separate sciences at Key Stage 4.

Aylsham High is a popular and successful school with a strong ethos of community spirit and mutual respect. We are currently oversubscribed as a result of the excellent performance of students in their GCSE and equivalent examinations and also thanks to the friendly, purposeful and warm atmosphere that exists within the school.

If you would like to join a successful and well-resourced department in a genuinely warm and friendly school with a tremendous community attitude then we would love to hear from you.

Further details and an application form are available on the school website – www.aylshamhigh.com or by telephoning Mrs F Bone, Headteacher's PA, on 01263 738968. Completed applications should be emailed to fbone@aylshamhigh.norfolk.sch.uk or posted to Mrs F Bone, Aylsham High School, Sir Williams Lane, Aylsham, NR11 6AN

Closing date for applications: Monday, 20 February 2012.

Interview: Wednesday, 29 February 2012.

References will be requested and a CRB check will be required for successful applicants.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
