Dear Ms Ward

Thank you for hosting my visit to Aylsham High School on Friday 18 November, as part of Global Entrepreneurship Week. I was delighted to get the opportunity to meet so many students with an interest in enterprise and starting up their own business. Aylsham is clearly leading the way!

We will keep you updated of developments with our work on both Inspiring the Future and the Enterprise Village website. Both initiatives will provide valuable resources for teachers and help you to continue to support the entrepreneurial spirit amongst your pupils.

I look forward to continuing to hear about your school's work in this area and to seeing many of your enterprising pupils become the entrepreneurs of the future.
