Dear Sir/Madam

Re: Young Chamber Business Breakfast

I am writing to you on behalf of the Aylsham High School Young Chamber. We are a group of students aged 11-16 who have a keen interest in business and enterprise and want to increase engagement between our school and the local business community.

We are holding our annual business breakfast on Wednesday 5 December 2018. The event will take place at Aylsham High School between 7.30 am and 9.00 am.

During the session there will be opportunity to network with other businesses attending. The young chamber will be delivering a speech on who we are and what work we do in and around the local community.

Our keynote speaker will be Tom FitzPatrick who is the Chairman of the Digital Innovation and Efficiency Committee for the Fakenham Division. The talk will be very engaging and relatable to many in Norfolk so it is worth the visit.

The cost to attend is £5 per person, payable on arrival. If you wish to book a place, please contact communications@ahs-yc.co.uk.

Tea and coffee will be served on arrival and breakfast served during the session. Please advise us if you have any specific dietary requirements.

This is a great chance to discover what the young chamber do at Aylsham High School, as well as creating new business contacts.

We would love it if you could come.

Yours faithfully,

YC Executive Committee
