## Option subjects 2023-24

Below is a list of the option subjects on offer at Aylsham High School. These courses are taken in years 9, 10 and 11. Option lessons take place on a Tuesday and Thursday. **The level of the course is highlighted in bold.**

**Subjects available will be dependent on the pathway which students have been assigned to, which will be allocated prior to choosing options, therefore some subjects may not be available for all students to take.**

Further information regarding options can be found under the students section of the school website, <https://www.aylshamhigh.com/ahsoptionsandcareers>.

If you have any questions please speak to a member of staff in the STAR office, which is located in the main school corridor.
