### From 1 September 2023

### ECT/MPR/UPR

As part of our commitment to supporting flexible working, we are looking for enthusiastic and committed teachers of maths to join our friendly and supportive maths team. This would be an ideal opportunity for an early career teacher. Whether recently qualified or experienced, the successful candidate will be expected to teach both KS3 and KS4 mathematics.

Students enjoy maths and achieve consistently excellent outcomes in their GCSE examinations in the top 20% nationally for attainment and progress. This post represents an excellent professional development opportunity for an enthusiastic and committed teacher of maths to develop their classroom practice by working as part of a strong and dedicated team of mathematicians, as well as to develop their subject skills and knowledge. We are looking for someone who loves their subject and can communicate and share that passion with their students, colleagues, and the wider community.

We believe wholeheartedly in helping teachers to improve their classroom practice and our CPD programme is incredibly strong. Every teacher gets to work with one of our highly experienced teacher coaches to help them to develop their practice and become the best teacher they can be. We are also committed to exploring evidence based practice and current research in education.

Aylsham High is one of the most consistently successful schools in Norfolk and our work is underpinned by the values of the co-operative movement. Our cohort is truly comprehensive and we are committed to being an inclusive, welcoming, and supportive school community. The school is blessed with excellent staff, great facilities, and a wonderful group of students. The support that we enjoy from parents and the wider community is second to none. We believe that if we are going to maintain and improve on the school's achievements, we have to continuously evaluate our approach to teaching and learning and this is a theme that runs throughout our school improvement planning.

If you would like to join a successful and well-resourced department in a genuinely warm and friendly school with a tremendous community ethos then we would love to hear from you. If you would like to come and see our school and find out more about us, this can be arranged by telephoning Mrs Ali Barker, HR Officer, on 01263 733270 ext 154. Further details and an application form are available on the school website – [www.aylshamhigh.com](http://www.aylshamhigh.com).
