Learning Support Assistant GR ref: 0374

**Various hours, term time only
Scale C, points 3 to 4**

We are looking to recruit an enthusiastic and flexible individual to join our team of Learning Support Assistants. Aylsham High School has a strong record of supporting students with SEN and this role makes a valuable contribution to this.

You will play a vital role in actively working to support access to learning for students and provide general support to the teacher in the management of students in the classroom. This will involve establishing good relationships with students and responding appropriately to individual needs.

The post holder should have good literacy and numeracy skills, the ability to relate well with children and adults, work on their own initiative and possess good basic ICT skills. Experience of working with young people aged 11-16 is essential and behaviour support experience would be an advantage.

Aylsham High School, part of Aylsham Learning Federation, is consistently one of the highest performing schools in Norfolk. The school is blessed with excellent staff, an outstanding group of students and great facilities including a subsidised nursery for staff. The support that we enjoy from parents and the wider community is second to none.

If you would like to join a successful and genuinely warm and friendly Federation with a tremendous community attitude, then we would love to hear from you.
