At Aylsham Sports Hub, we are very proud of our recently opened new gym facility which opened last summer. This includes a 40-station gym and separate spin studio. We are dedicated to helping our members reach their health and fitness goals by offering great facilities, including a swimming pool and classes, with a welcoming community environment and staff team.

We are looking for a passionate and motivated gym and leisure assistant to join our team. This role is based within the new gym and reception area. The successful candidate requires excellent customer service & communication skills, with a true desire to support our users on their health and fitness journey.

As a gym / leisure assistant, you will play a key role in providing a high level of customer service while assisting members with the use of the gym equipment. You will be responsible for leading small group gym sessions, (including youth only gym sessions) guiding new members during inductions, dealing with membership enquiries, reception duties, and ensuring the gym and other facilities are always clean, presentable and well-maintained.

You will also be expected to deliver exercise classes including spin (we will support you to do a spin course if you don't have the qualification already).

The successful candidate must hold a minimum level 2 gym instructor qualification. It would be beneficial to also hold a First Aid at Work (FAW) certificate, however not essential.

Previous experience in the industry and/or in customer services would be advantageous. Good communication skills are an essential part of the role.

We are committed to providing excellent sporting, fitness and wellbeing opportunities for all. Profits are re-invested into the TACT (Families) schools for the benefit of the children, their families and the community.

Aylsham Sports Hub already has a refurbished swimming pool offering public membership, family swim sessions and a swim school. We have a wide range of exercise classes and badminton and tennis are offered in our spacious sports hall. We also have our full size 3G multi-sport floodlit pitch.

If you would like to join a successful, friendly and professional organisation with a tremendous community attitude, then we would love to hear from you.

Aylsham Sports Hub is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post is exempt from the Rehabilitation of Offenders Act, and you will be required to undergo an Enhanced DBS check or Enhanced DBS check with barred list. If you have information to declare it may be protected under the Exceptions Orders and you may not be required to declare it. You will be asked to make a criminal conviction declaration if you are shortlisted for the post.
