

# Friends of Aylsham High School

We are a group of parents and staff working together to raise valuable funds for the school. We meet once every half term, usually for less than an hour, to discuss fundraising ideas and requests for funding from the school departments.

We look forward to meeting the parents of our new year 7s.

You don't need to attend our meetings to help – if you can spare an hour or so a year to help at uniform sales, to plan future fundraising events, or have ideas that we can implement, please email us:

## Donations made by Friends of Aylsham High School

The Friends typically donate **£4000-£8000** a year for specific projects in school such as:

Greenpower funding for children to design, build and race an electric car; science microscopes; eco garden equipment and tools; netball kits; activities week; Cat Cartwright Memorial Fund; English Macbeth books; speakers for drama; music mixing decks; and top up funding for the year 11 Prom.

The more money we raise the more we can donate to our school to benefit your children.
