Dear Parent/Carer

Canteen Price Changes

Over the past 18 months, the prices we have to pay for the food and drinks for the canteen provision have gone up significantly. Up until this point, we have managed to keep the prices that are charged to students unchanged and absorb these cost increases, as we understand that the cost of living crisis has been difficult for families. However, we are now at a point where the canteen needs to increase its prices in order to keep the full range of food, snacks and drinks viable.

Prices will eventually be going up by 20p to £2.60 for full meals and by 20p to £2.20 for hot pasta options. Larger snack options such as baguettes, hot baps, cold pasta pots and burgers will be going up by 15p, however all of these items will remain at less than £2. Smaller items and cold drinks will be going up by 10-15p.

To help families deal with these increases they will be staggered with a smaller price increase in April (after the Easter break) and with the full increases as outlined taking effect from September 2024.

Full current price lists are always available on the school meals page of the school's website <https://www.aylshamhigh.com/ahsschoolmeals>.

Yours sincerely
