Dear Parent/Carer

Key Stage 4 Parents' Information Virtual Evening

As your child works towards their final preparations for their GCSE/CAMNAT/BTEC exams in the summer, it would be useful to provide you with further information to help us to work together to best support your child's progress.

As with previous events, we will continue to host the parents' information evening via pre-recorded videos. This approach has allowed more families to engage with events, as the pre-recorded sessions can be accessed at any time and even over a period of time rather than in a single viewing.

Included with this letter is a document which contains the links and QR codes to each of the presentation videos and also the YouTube playlists for the virtual evening. A copy of this letter and details of the videos can also be accessed via the parents' information evening page under the parents & carers section of the school website, www.aylshamhigh.com/parentsinfoevening.

These videos share key information to help you support your child with their learning and preparation for their exams. We would therefore ask you and your child to find a convenient time to sit down together and watch each of the videos that have been shared with you. This approach will really strengthen our work together.

I do hope that you find the videos useful and supportive. Thank you for your continued support.

Yours sincerely
