TACT (Families) is a registered charity (charity number 1205779). Our vision is to develop a community where schools, families and partners work together to provide opportunities and support which allows young people and their families to reach their full potential.

TACT (Families) offers families whose children attend schools in Aylsham, Aldborough, Buxton, Erpingham and Hevingham opportunities to support their mental health and wellbeing, raise aspirations and engage in family and lifelong learning.

Aylsham Sports Hub is committed to providing excellent sporting, fitness and wellbeing opportunities for all. Profits are re-invested into the TACT (Families) schools for the benefit of the children, their families and the community.

Our facilities include an all-weather floodlit 3G pitch, swimming pool, exercise classes and hire of badminton and tennis courts. Our new gym facility opens in August 2025. We are also home to Aylsham Swim Academy which provides swimming lessons for a range of ages and abilities throughout the week. We also host children's parties, and our popular All Stars team run activity sessions during the school holidays.
