Dear Parent/Carer

October 2025

## Planned School Trips for the Next Two Academic Years

We are pleased to share the proposed dates for our main school trips over the next two academic years. This information is intended to help you and your child plan and make informed decisions about which trips may be of interest.

Please note the following:

While we aim to run all the listed trips, some may not go ahead, and additional trips may be introduced.

Trips scheduled beyond 2025 will have estimated costs, which are expected to be higher than in previous years due to rising expenses.

We hope this overview helps you consider the options available and choose trips that best suit your child's interests. If you have any questions, please feel free to contact us.
