It takes a Whole Community to Educate a Child*

6 May 2020

Dear new year 7 student

I am writing to say how excited we are about having you join us in our class of 2025. We are currently working with your primary school teachers to find out all about you and your learning, and if possible, your friendship groups. This will really help us to try and make the transition to high school as smooth as possible despite the strange times we find ourselves in. One of my jobs at the moment is trying to plan how school might work for the rest of this school year. I want you to know that the class of 2025 is at the forefront of our thinking. We are working on ways to ensure that we can still offer you some transition events and opportunities that will really help you to get to know your new school before you join us for the next stage of your exciting educational adventure in September.

Once we have more clarity over how and when schools are to reopen, we will be able plan in more detail for welcoming you to the AHS community. Our Friendly Faces will be involved in some way as they have always been in helping to make you feel really welcome at AHS. So in the meantime we will work with your current schools and teachers to learn more about you. We will then sort out your houses, form groups, and classes from a position of strength and knowledge.

My advice to you now is to stay safe, keep up with your school work the best you can, and try to make sure you stay as positive as possible. Looking forward to seeing you soon.

Yours sincerely

Duncan Spalding
Executive Headteacher
