

## **E book and audio learning resources**

I am thrilled to be able to introduce the new e book lending platform across the school that the library has bought in to in order to increase access to the written (and spoken) word whilst school is closed. Students can borrow two titles at a time and up to four titles a month. Our loans as a school are capped at 300. If you want to have a look at the platform you can find it here:

<https://aylshamhigh.eplatform.co/>

This along with our excellent public library service in Norfolk should ensure that students can access some fantastic fiction.

We have also taken advantage of another means of getting books to our students which has ensured that students can access e versions of set texts. This is via Browns Books. We have just purchased Lord of the Flies for Y10 and more titles will follow shortly. Students will need to use their alf.education email to log in.

I have been updating the Recommended Reads on the Aylsham Reads section of Google Classrooms regularly with an e or an audio book. If you have any suggestions that would be excellent too!

Please do not get hesitate to get in touch if you would like further information.
