Dear Parent/Carer

## Year 9 and 10 exam dates

There are a couple of key dates which will be important as we approach your child's summer GCSE exams.

The exams start on Monday 16 May and end on Wednesday 22 June. Please find enclosed a copy of your child's individual timetable showing the dates and times of their exams. If required, a further copy of this timetable can be obtained from Mrs Gilbert, who is the school's exam officer, by emailing [sgilbert@aylshamhigh.norfolk.sch.uk](mailto:sgilbert@aylshamhigh.norfolk.sch.uk).

During the exam season, lessons will be running as normal and students are expected to attend these lessons following their regular timetable. We will continue to use this lesson time to support students with their preparation for their exams. Around these lessons we have created some opportunities for extra revision sessions, which will be delivered by subject teachers, for students to attend. Students have found these sessions to be very useful in previous years. Due to timetable restrictions, these sessions may clash with an exam and in this case attendance at the exam will take priority. This timetable will be shared once it has been finalised so that students are aware of the extra revision sessions scheduled to take place during the school day. Departments will provide each student with additional details, times and locations of these sessions, nearer the time. Please contact the head of department if you have any queries; email addresses can be found on page 50 of the essential parent guide on the school website, [www.aylshamhigh.com/ahsessentialparentguide](http://www.aylshamhigh.com/ahsessentialparentguide).

It is very important that your child attends the revision sessions, especially the ones taking place before an exam. An attendance check will be taken at this point and we will be contacting any students who are absent to ensure that they do not miss their exam.

In cases where a student has completed an exam for a certain subject, they will either attend extra revision sessions for subjects whose exam they have not yet taken, following the timetable mentioned earlier, or they will be working within their normal timetabled lesson to complete revision for remaining exams. Departments will be able to provide resources to support this work, but we will also be encouraging students to bring their own resources.

When attending exams it will be important for students to arrive 10 minutes before the start time. Additional information and seating plans will be posted on the exam notice board in the dining room. Students will need to bring with them any necessary equipment, and a black ball point pen will be needed for all exams.

Any further updates will be posted on the school website and Twitter (@aylshamhigh) so please check these. An additional date for your diary is GCSE results day which is Thursday 25 August. Further details regarding the collection of results will be shared with families nearer the time.

LEADERSHIP for LEARNING  
The Cambridge Network

I would like to wish all our students good luck for their summer exams. I am sure that the hard work our students have put in to their studies will be reflected in the grades which they achieve.

If you have any questions about the exams taking place, please do not hesitate to contact the school. The first point of contact should be your child's form tutor.

Yours sincerely
